Action	E1 Development of the dissemination pack
Deliverable	Website
Beneficiary	AUA, MSENSIS
Date	10/2021 (Updated: 11/2023)

LIFE-FROSTDEFEND website

Website: <https://frostdefend.eu/en/>

Launch date: October 2021

Design company responsible: MSENSIS

- The project website is one of the main communication tools for any EU funded project. It provides easy and quick access to the project results for a wide audience.
- The website has the logos of the project, of the LIFE Programme and of all the beneficiaries, and contains the main objectives, activities and results of the project; consortia description; contact information and news section and information about the actions progress.
- The website content is regularly updated with news, information regarding organized or participating events, public reports and deliverables and dissemination materials (e-newsletters, leaflets, notice boards) produced within the project.
- The website's working language is English.
